**PUBLIC FIRE PROTECTION**

**Available:** To the Town of Freeport for municipal fire protection.

**Rate:** For the 53 public fire hydrants owned and maintained by the South Freeport Water District (the District) and connected to the District's mains on April 1, 2019, there shall be paid to the District the following public fire protection charge:

<u>Quarterly</u>	<u>Annual</u>
\$15,125.00	\$60,500.00

For each public hydrant owned and maintained by the District and installed after April 1, 2019, charges will be governed by Chapter 69 of the Maine Public Utilities Commission's Rules and Regulations.

All public fire hydrants now existing or to be installed will be cared for and maintained in good working order (unavoidable accidents excepted) by the District. Once any fire hydrant is actually installed and in operation, the total annual fire protection service charge then in effect will not be reduced, even though the municipality served should order one or more of its hydrants moved to a different location, the municipality shall pay to the District all costs of removing and re-installing said hydrant or hydrants.
